Members of Division 320 RE: Additional Pay Period 00 Deposited April 23

Brothers and Sisters,

Many of you may have noticed an additional pay notification for Pay Period 00 and additional pay deposited to your accounts on April 23.

I have learned from Payroll that this was due to an issue between CMA and the SAP Payroll system. It was believed that any pay for trips on April 2 had not propagated to payroll, so an additional payroll was run to pay all trips on April 2. Unfortunately, when that additional payroll was run, it paid any trips from April 2 as well as any trips that were deferred and were meant to be paid on May 7.

Furthermore, it turns out that trips for April 2 were in fact processed properly, and now many of us have been double paid for that day.

Payroll has not yet told us what the corrective action will be; we will let you know as soon as we do.

Thank you,
