Subject: Pension Erosion – Canadian Labour Congress (CLC) needs your help.

Dear Brothers and Sisters,

Appended is a message from TCRC President Dan Shewchuk regarding the CLC's call for all of us to contact our Member of Parliament.

In Solidarity,

Murray Douglas
TCRC Div 320
S&C Officer

Sisters and Brothers,

The Federal Government continues to subtly erode our pension security and as such, we must make our voices heard. Our organization is working together with other Unions on this issue and we fully support and endorse this initiative as put forth by the Canadian Labour Congress. Please take a moment to send a message to your local MP on this very important issue. The following will assist you in our efforts to convey a strong and collective message to our Federal Politicians.

Fraternally,

D.J. Shewchuk
President
