Subject: Brother Harley Garreck in Hospital in Vancouver

Dear Brothers and Sisters,

Some of you senior members may know Harley from Kamloops, and pre my time, his father apparently worked down here. I've been notified that Harley had a heart attack in Kamloops and has since been transferred to Vancouver. His wife is with him, and I'm being kept up to date as to his status.

Well wishes, and the fact that Harley and his family are in our thoughts and prayers at this time has been forwarded to his wife Betty-Ann. If I can find out what hospital, and if he can have visitors, I'll let you all know.

Meanwhile, think of him and his family during this trying time!

In Solidarity,

Murray Douglas
