**Subject: Poll for on line bidding.**

Dear Brothers and Sisters,

Currently Division 320 is contemplating the idea of purchasing the required software to allow for online bidding. This will include bids for the seven day board system, and change of card.

If you feel this is something you would be interested in, or not interested in please reply to this e-mail, indicating you're in favour or not in favour of Division 320 pursuing this issue further. If you are reading this notice posted on the bulletin board, and you want to participate in this poll, please email [murray\\_douglas@tcrc320.org](mailto:murray_douglas@tcrc320.org) Please reply by December 14, 2009.

Please also be advised we are currently looking at a polling system for our website to help all members have some input into local issues. This will **NOT** replace voting requirements on issues at regular meetings; it will however allow your Division Officers to find out what members think on certain issues.

Hoping this meets with your approval,

In Solidarity,

Murray Douglas
